Slide 4

Sharing

Ning? Blog? Wiki?

How do you currently use:

Ning

Blog

Wiki

with your students?

Slide 5

# Ning

# Ning? Blog? Wiki?

If you already use them how/what for – in 10 words!

I use Nings to connect with other educators.

Student e-portfolios and all class information

I am a using ning classroom 2

---

If you think you might use them how/what for – in 10 words!

teach teachers to use with classes on topics

I am using a wiki to put all claastuff and for eportfolios.

Also have several departments using wikis to share resources

Slide 6

# Blog

## Ning? Blog? Wiki?

If you already use them how/what for – in 10 words!

I use it to update parents about classroom events and pictures and videos,  
student writing

Adult migrant class for keeping tabs on weekly class activity

middle school students - reflection, own info

classroom and teaching reflection

challenge around the world with comments and posts

If you think you might use them how/what for – in 10 words!

tools for teachers to use - basic info on tools

Online portfolios, student writing,

## Slide 7

# Wiki

# Ning? Blog? Wiki?

If you already use them how/what for – in 10 words!

I am using a wiki to put all class stuff and for eportfolios.

Also have several departments using wikis to share resources  
kids to collaborate

so will be doing Flat Classroom this year. Will use wikis to collaborate with classes around the world

Collaborating with other teachers and using for info storage

---

If you think you might use them how/what for – in 10 words!

perhaps for a portfolio of sorts

Teaching other teachers about web2 tools

YES 

NO 

Slide 9

# Ning? Blog? Wiki?

## Feedback

A Too slow

B Just right

C Too fast

Slide 10

# Ning? Blog? Wiki?

Feedback

Was the session (content and activities)?

A Interesting

B OK

C Boring

Slide 11

# Ning? Blog? Wiki?

## Feedback

How was the information structure?

A Just right - it worked well

B OK

C Not very good

Slide12

# Feedback

## Ning? Blog? Wiki?

### Comments / ideas / +ves / -ves

small group - everyone gets chance to talk

I quite like instruction on a new web 2 tool, .like ning, work it out  
[I liked this topic and was glad to be part of the group.](#)

nice mix of people

[Positive is it was a nice size group.](#)

Love the international feel

[Could we have a session on using Flip cameras? digital photos?](#)
